

(i) Following State agency receipt of a written statement from a local government indicating that it either:

- (A) Waives its right to comment; or
- (B) Concurs with the management program decision; or

(C) Intends to take action which conflicts or interferes with the management program decision; or

(ii) Following a public statement by a local government to the same effect as paragraph (b)(5)(i) of this section; or

(iii) Following an action by a local government that conflicts or interferes with the management program decision.

(6) The management program shall include procedures to be followed by a management agency in considering a local government's comments. These procedures shall include, at a minimum, circumstances under which the agency will exercise its discretion to hold a public hearing. Where public hearings will be held, the program must set forth notice and other hearing procedures that will be followed. Following State agency consideration of local comments (when a discretionary public hearing is not held) or following public hearing, the management agency shall provide a written response to the affected local government, affected local government, within a reasonable period of time and prior to implementation of the management program decision, on the results of the agency's consideration of public comments.

§ 923.58 Public hearings.

The management program must be developed and adopted after the holding of public hearings. A State must:

(a) Hold a minimum of two public hearings during the course of program development, at least one of which will be on the total scope of the coastal management program. Hearings on the total management program do not have to be held on the actual document submitted to the Assistant Administrator for section 306 approval. However, such hearing(s) must cover the substance and content of the proposed management program in such a manner that the general public, and particularly affected parties, have a reasonable opportunity to understand the impacts of the management program.

If the hearing(s) are not on the management document per se, all requests for such document must be honored and comments on the document received prior to submission of the document to the Assistant Administrator must be considered;

(b) Provide a minimum of 30 days public notice of hearing dates and locations;

(c) Make available for public review, at the time of public notice, all agency materials pertinent to the hearings; and

(d) Include a transcript or summary of the public hearing(s) with the State's program document or submit same within thirty (30) days following submittal of the program to the Assistant Administrator. At the same time this transcript or summary is submitted to the Assistant Administrator, it must be made available, upon request, to the public.

Subpart G—Review/Approval Procedures

§ 923.60 Review/approval procedures.

(a) All state management program submissions must contain an environmental assessment at the time of submission of the management program to OCRM for threshold review. In accordance with regulations implementing the National Environmental Policy Act of 1969, as amended, OCRM will assist the State by outlining the types of information required. (See 40 CFR § 1506.5 (a) and (b).)

(b) Upon submission by a State of its draft management program, OCRM will determine if it adequately meets the requirements of the Act and this part. Assuming positive findings are made and major revisions to the State's draft management program are not required, OCRM will prepare draft and final environmental impact statements, in accordance with National Environmental Policy Act requirements. Because the review process involves preparation and dissemination of draft and final environmental impact statements and lengthy Federal agency review; states should anticipate that it will take at
